# Demetrius Mack Sketch

## Scene 1

Really wish I can get informed on all of USC campus events better like notifications.

## Scene 2

I wonder if there's an app for that.

## Scene 3

Downloaded the "USC event notify" app.

## Scene 4

Verifying user/student w/ VIP ID & Password

## Scene 5

Cool! This app is amazing. Look at all of these events this month. I wonder if it will show only sport events.

## Scene 6

Disabled all notifications and enabled sport only events

## Scene 7

Shows sport-related events on campuses
